Москва, Россия

Cadlink DIRECT TO FILM PRINTING SOFTWARE

Everything you need in a single Direct to Film (DTF) software package. An incomparable feature set. No other DTF printing software includes the combination of file preparation, color management, and production automation tools that Digital Factory Direct to Film Edition offers.

HIGH FIDELITY, MULTI-LANGUAGE COLOR MANAGEMENT

THE HIGHEST NUMBER OF COMPATIBLE PRINTERS

Includes the most widely used Epson® printers, and many of the purpose-built, high-performance printers offered by many Direct to Film distributors.
