

ZineGlob: PRICKLY PEAR OIL MANUFACTURER AND SUPPLIER

Москва, Россия

100% Pure, cold-pressed oil from the seeds of the Prickly Pear cactus fruit (*Opuntia ficus-indica*) Known also as Barbary fig oil. There are no chemicals or heat-treatment involved in the making of this Oil and it is free from all additives and preservatives. Organic Prickly pear – Barbary fig - Catus seed oil is an excellent choice for mature, aging or damaged skin. It contains skin-softening vitamin E, and vitamin K to reduce dark circles.

helps damaged skin conditions like acne, psoriasis, eczema, sunburn, blemishes, stretch marks, cuts, scars and itchy, scaly, irritated skin conditions as well.

Our Prickly Pear Seed oil is made from the highest quality organic seeds. By using the cold-press extraction and filtration process, we preserve our oil's delicate antioxidants and fatty acid compounds. By placing the bulk order, you are bound to get the best prices, alongside many other advantages including bottling, labeling, packing, and shipping.
